Digital Catalogs

Easily access all of our catalogs while on the go. Ask your Sales Rep for the link to our catalog website, and Bestway® products can be right at your fingertips!

- View the latest catalogs
- Quickly flip through and find any product
- Check out product details, photos and even videos
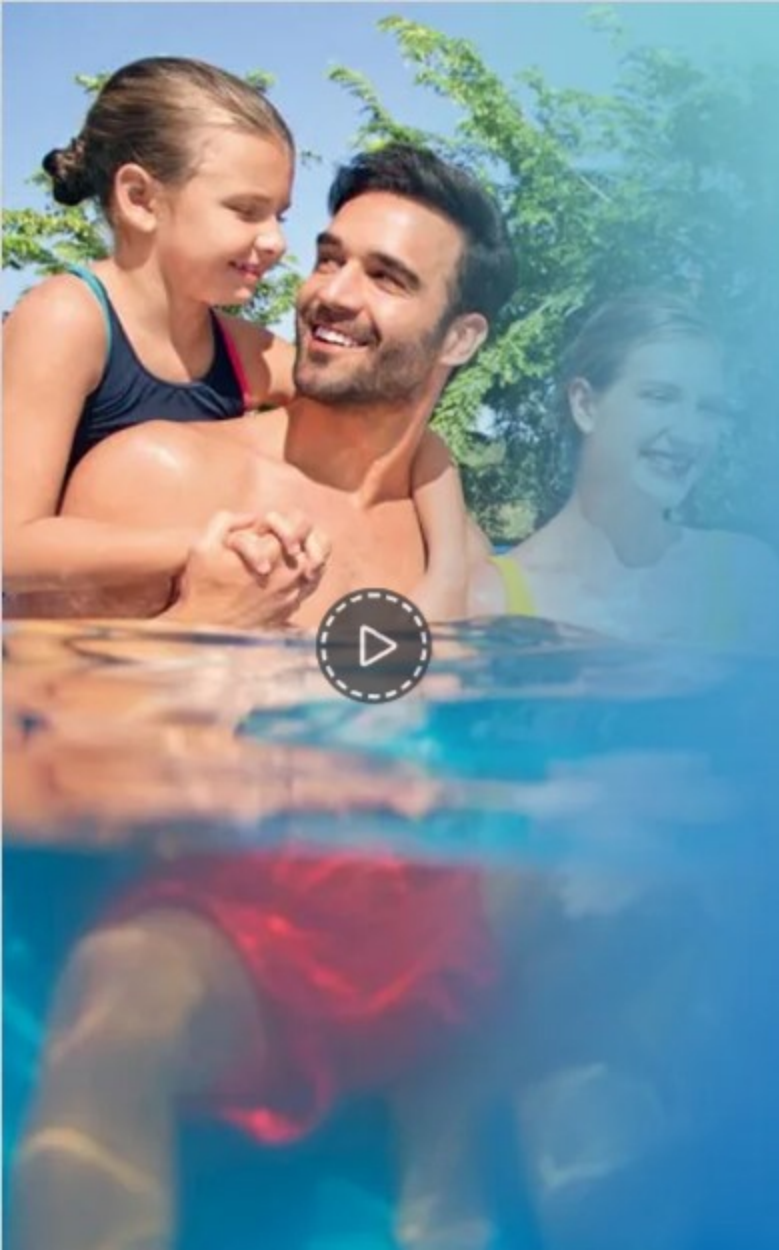

VISION & MISSION

Since 1994, our vision has been to create fun, memorable experiences for everyone in the world through our innovative, dependable products.

Now, just over 25 years later, **Bestway** has forged a global presence in more than 100 countries by developing an extensive product line and becoming forward thinkers about sustainable business practices. Today, we manufacture and sell more than 1,100 different products within four core categories: above ground pools and portable spas, recreational products, sporting goods, and camping products.

SERVICE

Bestway is committed to customer satisfaction and providing you with the best product solutions. That's why every department in Bestway works closely together – from our technology and quality assurance centers to our laboratories, vertically integrated manufacturing systems and after-sales service centers around the globe.

Bestway's advanced online services and regional call centers allow customers to easily resolve issues that arise with their products, offering downloadable manuals, instructional videos, and 24/7 call support.

MAKING BESTWAY® MEMORIES

Here at Bestway, we have your customer's comfort in mind. With many options to choose from, there is a bed for everyone's preference. Our beds are easy to use and give your customers the comfort and rest they need and desire. Because many of the beds can be used both indoors as well as outdoors, there's an option for customers in every season!

CONTENTS

TECHNOLOGY & STRUCTURE

Bestway has invested time and money into its R&D department with the goal of providing the most comfortable and durable air mattresses. Our innovations have led to new technologies, new materials and better information for our customers.

TOUGH GUARD™
FORTECH™

Bestway's Tough Guard™ / Fortech™ air mattresses represent the future of inflatable bed technology. The groundbreaking material provides unparalleled strength, durability and comfort, making it a leading innovation in the industry.

150X	MORE ABRASION RESISTANT*
92%	MORE STRETCH RESISTANT*
75%	MORE PUNCTURE RESISTANT*

*COMPARED TO AN EQUIVALENT SIZE VINYL AIR MATTRESS

STRONG MATERIAL	COMFORTABLE & CONVENIENT	BUILT TO LAST
PUNCTURE RESISTANT Fortech material is 75% more puncture resistant and 150 times more resistant to scratches.	**LIGHTWEIGHT MATERIAL** Fortech beds are up to 15x lighter in weight compared to PVC beds of the same size.	**OVER-INFLATION DAMAGE** Fortech beds are 70x more resistant to damage caused by over inflation.
STRONGER IGNITION RESISTANCE Fortech material is 20x more flame-retardant.	**SOFT MATERIAL** The Fortech material provides a soft and comfortable sleeping surface comparable to that of coated PVC.	**ROLLER TESTING** In a continuous roll test of 300 lbs, Fortech beds lasted 35x longer than standard PVC beds.
STRETCH RESISTANT Fortech material is more resistant to stretching, which is typically caused by repeated inflation and use by customers.	**TEMPERATURE REGULATION** Fortech material stabilizes temperatures, ensuring beds never become too cold or too hot, unlike PVC beds.	**INTERNAL AIR LOSS** After extended use during simulation testing, Fortech air mattresses retain 22% more internal air pressure than PVC beds.

TRITECH™

Bestway's ultra sturdy Tritech™ is a 3-ply reinforced material. With a polyester mesh core encased in two layers of laminated PVC, this material offers superior strength and durability. With Tritech, air mattresses keep their shape no matter how many times they're inflated or deflated. Plus, air mattresses are stress-tested against the typical weight, strain and movement of a good night's sleep to guarantee longevity.

INFLATION

BAG PUMP
STORAGE BAG FUNCTIONS AS PUMP

Compress the air bag for hassle-free inflation — it takes just 5 - 7 compressions to fully inflate the air mattress. No pump required!

CONNECT

COMPRESS

RELAX & ENJOY

ALWAYZAIRE™

Bestway is excited to offer air mattresses with innovative AlwayzAire™ technology. Consumers can rest easy knowing their beds will remain fully inflated through the night.

ADVANCED DUAL PUMP TECHNOLOGY

Internal PSI Gauge & Motor
Detects drops in internal pressure and will automatically start the silent re-inflation pump to restore the bed to its intended firmness.

Quick & Easy Deflation
The auto-deflation function allows effortless deflation of the bed. The deflation pump will automatically shut off once the internal PSI reaches 0.

▶ NO AIR LOSS, STRETCHING OR OVERINFLATION

▶ 3 COMFORT SETTINGS - SOFT, MEDIUM, & FIRM

▶ INTUITIVE ONE-TOUCH CONTROLS

A
ALWAYZAIRE™
The dual pump system includes a pump to inflate and deflate the bed, internal sensors to detect air pressure & a silent pump that turns on to maintain the preferred comfort setting.

B
ALWAYZAIRE™ COMFORT CHOICE™
3 COMFORT SETTINGS
A dual pump system with a computerized PSI sensor allows consumers to automatically inflate the bed to 3 different preset comfort settings.

C
ALWAYZAIRE™
REMOVABLE & RECHARGEABLE DUAL PUMP
One full battery charge fully inflates the bed and maintains pressure for up to 7 nights.

AIR MATTRESS PACKAGING REFRESH

Our new air mattress packaging has a fresh, modern look to complement our new air mattress swatches, which are now available in neutral tones. At every stage of the buyer's journey - from the shelf to a restful night's sleep - our designs are intended to please customers and deliver superior quality.

TRITECH™
AIR MATTRESSES

Tritech™ beds are both exceptionally comfortable and dependable. With a polyester mesh core encased in two layers of laminated PVC, this material provides superior strength and durability. Air mattresses with the Tritech internal support system keep their shape no matter how many times they're inflated or deflated. Plus, air mattresses are stress tested against the typical weight, strain and movement of a good night's sleep to guarantee longevity.

TRITECH™ 12 IN. / 30 CM
AIR MATTRESS
BUILT-IN AC PUMP

TRITECH™
3-ply reinforced material features a polyester mesh core encased in 2 layers of laminated PVC, offering superior strength and durability.

- Designed for indoor use
- Bed Height (with pillow): 12 in. / 30 cm
- Bed Height (without pillow): 8.75 in. / 22 cm
- Tritech™ Internal Support System is 44% more stretch resistant, retains 19% more pressure and is 18% stronger than PVC

- Contoured vertical I-beam construction
- Comfortable flocked sleeping surface
- Built-in pillow
- Full color box

TOUGH GUARD™
FORTECH™
AIR MATTRESSES

The innovative Tough Guard™ / Fortech™ material gives air mattresses unparalleled strength, durability and comfort unlike anything else in the industry. With increased strength, these air mattresses are where comfort, convenience and durability meet. They are 75% more puncture resistant and 150x more resistant to scratches than the typical vinyl bed. Plus, this specialized material prevents over-inflation and internal air loss to give you the best night's sleep.

ALWAYZAIRE™
AIR MATTRESSES

AlwayzAire™ technology is the latest engineering feat in portable sleep solutions. This patented innovation ensures you never wake up on the ground again. The internal sensors detect any drops in air pressure, and the pump silently reinflates the bed back to its intended firmness setting.

ALWAYZAIRE™ 18 IN. / 46 CM AIR MATTRESS

BUILT-IN DUAL PUMP

- Designed for indoor use
- Bed Height: 18 in. / 46 cm
- Luxurious wave beam design provides an even and supportive sleeping surface
- Internal sensors silently reinflate the bed to maintain the intended air pressure throughout the night (must be plugged in all night for dual pump to function properly)
- USB port for phone or tablet charging
- Comfortable flocked sleeping surface and sides
- Surrounding frame design prevents roll off and increases stability
- 2 way interlocking quick release valve for fast, easy inflation & deflation
- Full color box

AIR PUMPS

All Bestway pumps are created with both durability and functionality in mind. The high-performance pumps are reliable, and most have both inflation and deflation functions. They are compact in size, making them easy to tote along, and include adaptor nozzles to fit nearly every inflation valve. Powered air pumps are fast and efficient, using electricity to quickly inflate the item.

AC PUMPS feature plugs that can be plugged directly into a household outlet
DC PUMPS feature plugs that can be plugged into a car outlet

SIDEWINDER™
D CELL AIR PUMP

- DC 6.0V⎓ 40W
- Max air flow: 430 L/min
- Max pressure: 270 mml I2O
- Quickly inflates and deflates almost all inflatable products
- Large air chamber for rapid inflation
- 3 valve adaptors
- Designed to provide maximum airflow
- Uses 4x LR20/D Cell size batteries (not included)
- Two-color design
- Full color box

SIDEWINDER™
DC AIR PUMP

- DC12V⎓ 96W [62144]
- DC12V 8A [62144E]
- Max air flow: 680 L/min
- Max pressure: 355 mml I2O
- Quickly inflates and deflates almost all inflatable products
- Large air chamber for rapid inflation
- 3 valve adaptors
- Designed to provide maximum airflow
- Powered by 12V DC car plug
- Two-color design
- Full color box

Item No.	Language	Pack	Lbs (kg)
62144/E	INTL/US	12	15.9 (7.2)

SIDEWINDER™
12V AC/DC AIR PUMP

- DC 12V= 30W [62142]
- DC 12V 2A [62143/E]
- Max air flow: 490 L/min
- Max pressure: 335 mml2O
- Quickly inflates and deflates almost all inflatable products
- Powered by 110V home power outlet or 12V car outlet [62143/E]

- Powered by 220V home power outlet or 12V car outlet [62142]
- Large air chamber for rapid inflation
- 3 valve adaptors
- Designed to provide maximum airflow
- Two color design
- Full color box

Item No.	Language	Pack	Lbs (kg)

SIDEWINDER™
4.8V RECHARGEABLE AIR PUMP

- Max air flow: 565 L/min
- Max pressure: 370 mml2O
- Recharges using a USB cord
- Suitable for most air mattresses, pool floats, swim rings, beach balls and other inflatable toys
- Battery voltage: 4.8V

- Quickly inflates and deflates almost all inflatable products
- Includes 4 x 1500mA built in rechargeable batteries
- 3 valve adaptors
- Two color design
- Full color box

Item No.	Language	Pack	Lbs (kg)
62156/E	INTL/US	12	11.8 (5.4)

POWERGRIP™
DC AIR PUMP

- DC 12V= 75W [62164]
- DC 12V 6.25A [62164E]
- Max air flow: 680 L/min
- Max pressure: 770 mml2O
- Quickly inflates and deflates almost all inflatable products

- Large air chamber for rapid inflation
- 3 valve adaptors
- Designed to provide maximum airflow
- Two color design
- Full color box

Item No.	Language	Pack	Lbs (kg)
62164/E	INTL/US	12	19.4 (8.8)

POWERGRIP™
AC AIR PUMP

- 220-240V~50Hz, 210W [62145]
- 110-120V~60Hz, 2A [62146/E]
- Max air flow: 1100 L/min
- Max pressure: 680 mml2O
- Quickly inflates and deflates almost all inflatable products

- Large air chamber for rapid inflation
- 3 valve adaptors
- Designed to provide maximum airflow
