

An aerial view of four people lying on their stomachs on colorful inflatable water sports boards on a sandy beach. The boards are arranged in a row, each with a different color scheme: blue and green, grey and yellow, yellow and green, and white with colorful geometric patterns. The people are wearing swimwear. The Bestway logo is visible on the first three boards. A teal diagonal banner covers the bottom left portion of the image, containing the text 'Bestway' and 'WATERSPORTS 2023 CATALOG'.

2023 CATALOG COLLECTION

Enjoy our extensive collection of products in our six catalogs.

- Above Ground Pools
  - Air Mattresses
  - Spa
  - Summer & License
  - Watersports
  - Camping Gear\*
- \*Only available for US.

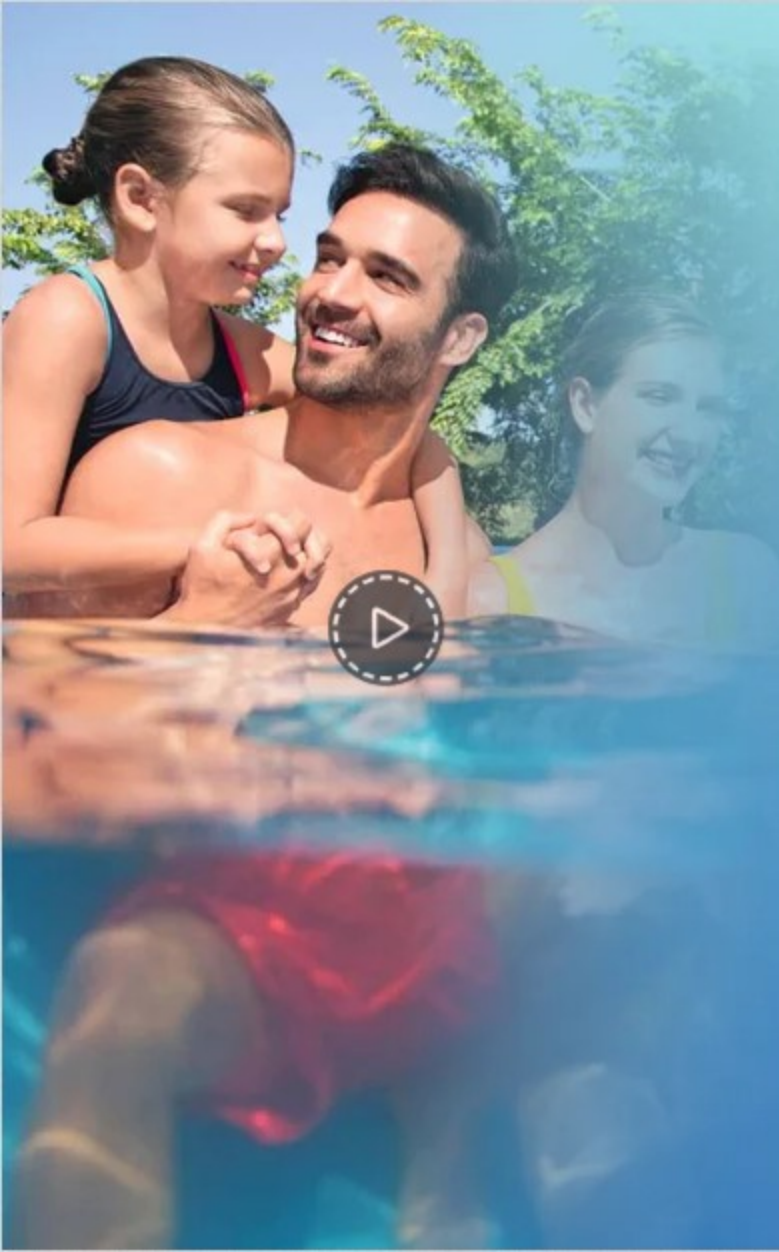

## Digital Catalogs

Easily access all of our catalogs while on the go. Ask your Sales Rep for the link to our catalog website, and Bestway® products can be right at your fingertips!

- View the latest catalogs
- Quickly flip through and find any product
- Check out product details, photos and even videos

## VISION & MISSION

Since 1994, our vision has been to create fun, memorable experiences for everyone in the world through our innovative, dependable products.

Now, just over 25 years later, Bestway has forged a global presence in more than 100 countries by developing an extensive product line and becoming forward thinkers about sustainable business practices. Today, we manufacture and sell more than 1,100 different products within four core categories: above ground pools and portable spas, recreational products, sporting goods, and camping products.

## SERVICE

Bestway is committed to customer satisfaction and providing you with the best product solutions. That's why every department in Bestway works closely together - from our technology and quality assurance centers to our laboratories, vertically integrated manufacturing systems and after-sales service centers around the globe.

Bestway's advanced online services and regional call centers allow customers to easily resolve issues that arise with their products, offering downloadable manuals, instructional videos, and 24/7 call support.

## ENHANCED MATERIALS

Inflata-Shield™ is a puncture resistant material that provides our lounges & islands with:

- An extra strong barrier that holds up against rocks and sharp objects
- Increased tensile strength limiting stretching and allowing for greater rigidity
- Embossed texture to enhance products' grip

Color Shield™ protective layer prevents the color printing from transferring onto skin when wet. Plus, it also keeps the colors bright and vibrant for use summer after summer!

ITEMS INVOLVED:  
Lounges & Islands where the printing area is large enough for the consumers to be in contact with.

## SEEK THE ADVEN TURE

Stand-up paddleboarding has become incredibly popular across the globe, and with a wide variety of Hydro-Force boards to choose from, there's the right fit for every consumer. Both beginners and experienced riders can explore thanks to the engineering team at Bestway®. Each board is crafted, fine-tuned, and ranked for overall maneuverability, tracking, stability, and speed. Year after year, Hydro-Force continues to rule the SUP lineup!

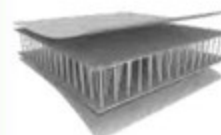

Bestway's inflatable SUP line offers all the advantages that come along with hard boards, plus these added benefits:

- Easy to transport in a car or on a plane — a true money saver, as there is no need to purchase a roof rack or pay expensive shipping costs
- A great choice for beginners — the thicker material is generally more stable than a hard board
- Sold as a package deal — everything that's needed is included in one lightweight, grab-and-go carrier
- Bounce back ability — the flexible material is more resilient than a hard board

Ease and portability make an inflatable SUP the ultimate board, especially for beginners. Some models even come with a convenient kit to convert the paddleboard into a kayak, giving the user two options every time they cruise the open water. With a Hydro-Force SUP, anyone can have a summer of adventures.

## DROP STITCH MATERIAL

To provide unmatched strength and durability, drop stitch material is a network of thousands of polyester threads that securely connect the surfaces internally. This seals in air to keep the board rigid, stable and all-weather dependable. Drop stitch is the strongest type of material available for SUPs and provides equal strength and quality to a hard-sided board.

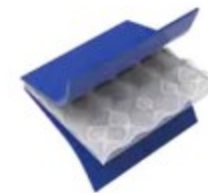

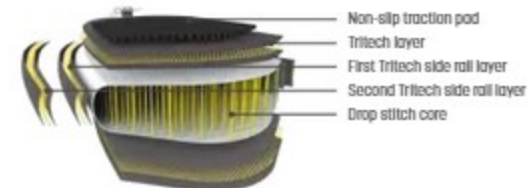

### PVC LAMINATED DROP STITCH

ITEMS: Aqua Journey Set, White Cap Set, Oceana Convertible Set, Aqua Wander™ Traveltech™ Convertible Set, Aqua Gilder™ Traveltech™ Set, Kahawai Set, Breeze Panorama™ Set, Panorama™ Set

### TRITECH™ LAMINATED DROP STITCH

ITEMS: Freesoul™ Tech Convertible Set, Aqua Excursion™ Tech Set

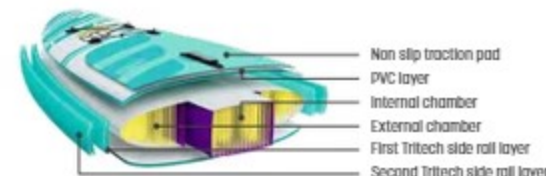

## TRITECH™ MATERIAL

This 3-ply reinforced material features a polyester mesh core encased in two layers of PVC to provide superior strength and durability. This premium marine grade material can withstand extreme nautical conditions and exposure to UV rays. Tritech is quick drying and crease resistant, and has been stress tested against weight, strain and movement.

### DOUBLE CHAMBER CONSTRUCTION

Double chamber structure increases stability  
ITEMS: Huakaʻi Set

# TRAVEL TECH™

TravelTech™ is a stand-up paddleboard type that has revolutionized the convenience of inflatable boards. Portability, convenient storage and easy transport have always been major advantages of inflatable boards over hard-sided boards, but with TravelTech, it's even easier. The structure of the board was engineered to be folded vertically and horizontally, giving a more compact shape. The backpack that comes with TravelTech boards is 40% smaller than the standard ones, allowing for easier handling and transport.

**1** FOLD THE SUP LONGITUDINALLY,  
TO REDUCE ITS SIZE BY HALF.

**2** FOLD THE SUP  
TO MAKE IT SMALL

**3** STORE IN THE  
BACKPACK

**4** ENJOY AN EASIER  
TRANSPORT

## BUILT-IN WINDOW

We've added another level of immersion to water adventures with our panorama window. It allows users to see through to the water below and comes with a convenient and built-in cover. Paddleboarders can get a close-up view of marine life as they ride or they can cover the window to eliminate the sun's glare.

ITEMS: Breeze Panorama™ Set, Panorama™ Set

## KAYAK MODE

Users don't have to choose between a stand-up paddleboard or a kayak. With our convertible sets, you get both! Each set includes a detachable seat with back rest, plus attachable footrests when you want to use it as a kayak. The paddle also converts into a double-sided oar. Switch from a stand-up paddleboard to a kayak in just minutes!

ITEMS: Oceana Convertible Set, Aqua Wander™ Traveltech™ Convertible Set, Freesoul™ Tech Convertible Set

## THE GREAT OUT DOORS

Every water explorer can find what they're looking for with the wide range of kayaks and fishing boats the Hydro-Force™ line has to offer. From different sizes to materials, these kayaks are perfect for beginners and advanced adventurers alike. With the added benefits of storage and portability that come with inflatable products, Hydro-Force kayaks and fishing boats are the ideal choices for both first-time and avid kayakers.

## ENHANCED MATERIALS

Inflata-Shield Pro™ is enhanced puncture resistant material that provides our Hydro-Force™ kayaks with:

- Superior heavy-duty material provides an extra strong barrier to better resist puncture
- Increased stretch resistance allows for greater rigidity and speed when paddling
- Improved pressure retention maximizes stability and minimizes air loss

**Premium Coated Nylon:**  
Built for the toughest adventurer, the premium nylon coating on the Ventura Elite™ Kayak can withstand some of the most harrowing elements. The fabric is oil proof, waterproof, and can endure intense UV rays. The premium nylon coating is also puncture resistant and built to withstand the rough and often rocky waters of a river. This durable kayak will maneuver you down winding rivers, lakes, and through calm open waters or over the ebb and flow of waves.

ACTUAL IN-STORE DISPLAYS MAY VARY.

## DEFLATED SIZE

12 FT. X 66 IN. / 3.77 M X 1.67 M

## FEATURES

- Inflato-Shield Pro™ enhanced material offers excellent puncture resistance and rigidity, limits stretching and maximizes stability
- Inflatable floor for extra comfort
- 2 comfortable inflatable seats with backrests and 1 removable cushion
- Sturdy outlocks
- Gear clips
- Gear pouch for storing essentials
- Built-in fishing rod holders
- Wraparound grab rope
- 2 carry handles (front and back)
- Carry bag for easy transportation and storage
- 1 pair of 57 in. (145 cm) oars (62064)
- Air Hammer™ hand pump (62086)
- Interlocking quick release valves
- Quick inflation / deflation screw valves

## CONTENTS

- 1 boat
- 1 pair of oars
- Hand pump
- Gear pouch
- Carry bag
- Repair patch

1. Carry handles
2. Fishing rod holders
3. Two inflatable seats with backrests
4. Inflatable seat in middle
5. Inflatable floor for extra comfort
6. Quick inflation / deflation screw valves

## ***YOUR ADVEN TURE AWAITS***

A lightweight and durable option for avid boaters, the Hydro-Force™ line of sports boats provides an easy and convenient way to get on the water. From floating along to fishing excursions, these boats are made of durable materials that will hold up season after season. This collection provides the storage and portability benefits of inflatable products, along with the durability and capability of hard-sided boats.

## 62147/E

### FEATURES

- 5 in. / 13 cm
- Stroke volume: 0.3 L/cycle
- Easily switches from inflation to deflation
- Flexible hose
- Two-color design
- Inflates and deflates
- Large air chamber for rapid inflation
- 3 valve adaptors to fit nearly every inflation valve
- Designed to provide maximum airflow
- Polybag with header card

## 4.8V RECHARGEABLE PUMP

62155/E

### FEATURES

- Two-color design
- Max air flow: 565 L/min
- Max pressure: 370 mmHg
- Recharges using a USB cord
- Suitable for most air mattresses, pool floats, swim rings, beach balls and other inflatable toys
- Portable & easy to use: weighs only 334 g
- 3 valve adapters
- Quickly inflates and deflates almost all inflatable products
- 4.8V
- Includes 4 x 1500mAh built-in rechargeable batteries
- Full color box
